FIFA FOOTBALL AGENT

EXAM PROGRAMME

THE PRO AGENT FIFA FOOTBALL AGENT EXAM PROGRAMME aims to provide an in depth analysis of the current regulatory commercial and institutional aspects relating to agency matters in football. The goal of this programme is to provide education on football agency in order to help you to prepare for the FIFA Football Agent Exam and your work as a licensed FIFA Football Agent. The programme consists of two full day online modules with a hands-on approach and two special questionnaire sessions. The programme is exclusively in English as the FIFA Football Agent Exam and all study materials are in English as well.

The programme is developed by Pro Agent and our legal partner BMDW Advocaten. The programme is born following the implementation by FIFA of the new FIFA Football Agent Regulations and the obligation to pass the FIFA Football Agent Exam in order to obtain a license to act as a FIFA Football Agent. The programme offers a practical learning approach and the possibility to ask questions to legal experts. After registration you will receive additional practical study materials such as literature and test cases.
